Drafting and Revision Close Reading Worksheet - Start a Consistent Reading Practice

Drafting and Revision | Start a Consistent Reading Practice | Asset ID BOOK-23-02-01

Purpose: This original printable close reading worksheet helps readers, book clubs, students, families and independent writers work with drafting and revision while pursuing one defined outcome: make reading regular without unrealistic daily targets. Its method is to locate, quote minimally, paraphrase and explain the relevance in original words. Use the pages as a working record, not as a substitute for the source text, edition details and qualified educational or rights guidance where those are needed.

Resource Map

The subject focus is to separate invention, structural revision and sentence editing into clear passes. The six working areas below define the scope for this specific resource. Complete only the rows that matter to the present reading session, and date any observation that may change.

#	Working area	Current evidence	Next check
1	Draft Purpose	Known / estimated / not checked	_____
2	Section Function	Known / estimated / not checked	_____
3	Continuity	Known / estimated / not checked	_____
4	Clarity	Known / estimated / not checked	_____
5	Voice Consistency	Known / estimated / not checked	_____
6	Proofreading	Known / estimated / not checked	_____

Foundation Starting Brief

- Survey: Which evidence separates clarity from voice consistency in this case? Survey the present state before setting a target.
- Select: How does proofreading change the interpretation of draft purpose? Select the smallest useful starting point.
- Bound: What boundary on section function must be checked before relying on continuity? Bound the work by time, scope and available support.
- Prepare: Which observation links voice consistency to section function, and what remains uncertain? Prepare the materials, conditions and owner.
- Begin: What alternative explanation could account for both draft purpose and clarity? Begin with one observable action.
- Edition success means: complete the planned sessions and explain what made them workable

Close Reading Worksheet

This format is designed to capture selective observations before forming an interpretation. For drafting and revision, apply the method in a deliberate sequence: locate, quote minimally, paraphrase and explain the relevance in original words. The edition target is start a consistent reading practice, so each entry should show what was noticed, what was tried and what changed.

Working step	What to record	Evidence or source	Status
Survey Clarity	Which evidence separates clarity from voice consistency in this case?	Starting view / date	Open / checked
Select Voice Consistency	How does proofreading change the interpretation of draft purpose?	First priority / date	Open / checked
Bound Proofreading	What boundary on section function must be checked before relying on continuity?	Boundary / date	Open / checked
Prepare Draft Purpose	Which observation links voice consistency to section function, and what remains uncertain?	Readiness / date	Open / checked
Begin Section Function	What alternative explanation could account for both draft purpose and clarity?	First result / date	Open / checked
Confirm Continuity	What next check on continuity would make the record about proofreading more useful?	Foundation check / date	Open / checked

Completion Standard

- Keep the work tied to drafting and revision, not to a vague general intention.
- Apply this adjustment: choose a small repeatable session and protect it for one week
- Is the foundation small, clear and evidenced enough to continue?
- Expose this outcome risk if it appears: readiness is declared without evidence.
- Use original notes and explanations; quote only when necessary, lawful and properly attributed.
- Ask a reader, educator, librarian, editor or rights adviser to challenge one material assumption where appropriate.
- Close with one decision and one follow-up rather than an unranked list of ideas.

Working Note

Edition BOOK-23-02-01 pairs close reading worksheet with the outcome 'Start a Consistent Reading Practice'. That pairing is the boundary for this workbook: material that does not help that outcome belongs in a separate record.

Evidence x Foundation Focused Practice Lab

This lab pairs a evidence method with a foundation outcome lens. Work through the six actions to turn the subject focus - separate invention, structural revision and sentence editing into clear passes - into evidence for start a consistent reading practice. Preserve any gap that prevents a supported conclusion.

#	Action	Constraint	Record
1	Collect / Survey section function	Which evidence separates clarity from voice consistency in this case? Survey the present state before setting a target.	Evidence list / Starting view
2	Classify / Select continuity	How does proofreading change the interpretation of draft purpose? Select the smallest useful starting point.	Source / First priority
3	Trace / Bound clarity	What boundary on section function must be checked before relying on continuity? Bound the work by time, scope and available support.	Trace / Boundary
4	Verify / Prepare voice consistency	Which observation links voice consistency to section function, and what remains uncertain? Prepare the materials, conditions and owner.	Verification / Readiness
5	Reconcile / Begin proofreading	What alternative explanation could account for both draft purpose and clarity? Begin with one observable action.	Exception / First result
6	Approve / Confirm draft purpose	What next check on continuity would make the record about proofreading more useful? Confirm what is ready for the next cycle.	Sign-off / Foundation check

Common Failure Modes

- For section function, watch for the source has no date together with the starting state is assumed.
- For continuity, watch for the evidence is second-hand together with the first target is too large.
- For clarity, watch for two records disagree together with the scope has no boundary.
- For voice consistency, watch for a value lacks units together with required support is missing.
- For proofreading, watch for the context has changed together with several actions start together.

Independent Review Question

Format question: Which source is strongest for this decision, and what limitation remains? Outcome question: Is the foundation small, clear and evidenced enough to continue? Ask a reader, educator, librarian, editor or rights adviser where appropriate, then answer before the next reading session: _____

Reading Session Plan for Start a Consistent Reading Practice

Use one defined reading session to test the outcome rather than attempting every possible task. This edition pairs evidence with foundation to pursue this objective: make reading regular without unrealistic daily targets. Preserve the starting condition and both evidence trails.

Plan field	Entry
Purpose	Start a Consistent Reading Practice
Starting condition	_____
Chosen working area	_____
Readiness	choose a small repeatable session and protect it for one week
Evidence to capture	_____
Stop or review condition	_____

Thirty Minute Reading Shape

Stage	Action	Evidence
0-5 min	Which evidence separates clarity from voice consistency in this case? Identify the evidence required.	Evidence list / Starting view
5-10 min	How does proofreading change the interpretation of draft purpose? Collect one traceable record.	Source / First priority
10-18 min	What boundary on section function must be checked before relying on continuity? Label its date, owner and context.	Trace / Boundary
18-24 min	Which observation links voice consistency to section function, and what remains uncertain? Cross-check the material independently.	Verification / Readiness
24-27 min	What alternative explanation could account for both draft purpose and clarity? Resolve or expose one gap.	Exception / First result
27-30 min	What next check on continuity would make the record about proofreading more useful? Record the supported conclusion.	Sign-off / Foundation check

Evidence Record Log

Evidence Record	Condition	Observation	Decision
1	Same / changed	_____	Keep / change / check
2	Same / changed	_____	Keep / change / check
3	Same / changed	_____	Keep / change / check
4	Same / changed	_____	Keep / change / check
5	Same / changed	_____	Keep / change / check

Source and Evidence Reconciliation - Foundation Lens

This comparison tests drafting and revision against start a consistent reading practice through two independent questions. Format: Which source is strongest for this decision, and what limitation remains? Outcome: Is the foundation small, clear and evidenced enough to continue? Record material setting differences instead of averaging them away.

Evidence area	Baseline	Alternative	Interpretation prompt
Continuity	_____	_____	Which evidence separates clarity from voice consistency in this case?
Clarity	_____	_____	How does proofreading change the interpretation of draft purpose?
Voice Consistency	_____	_____	What boundary on section function must be checked before relying on continuity?
Proofreading	_____	_____	Which observation links voice consistency to section function, and what remains uncertain?
Draft Purpose	_____	_____	What alternative explanation could account for both draft purpose and clarity?
Section Function	_____	_____	What next check on continuity would make the record about proofreading more useful?

Format Decision Test

Field	Record
Review question	Which source is strongest for this decision, and what limitation remains?
Outcome question	Is the foundation small, clear and evidenced enough to continue?
Acceptance lens	complete the planned sessions and explain what made them workable
Conditions held steady	_____
Evidence supporting the choice	_____
Evidence against the choice	_____

Evidence Confidence Check

- Starting view: what was actually seen, heard, measured or read?
- Format evidence: which record best demonstrates dates captured?
- Outcome evidence: which record best demonstrates next cycles approved?
- Challenge: could the scope has no boundary explain the result?
- Subject boundary: what does this comparison leave unresolved about clarity?

Evidence x Foundation Scenario Cards

Use these paired scenarios to rehearse judgement for start a consistent reading practice. Each card joins a evidence failure mode to an outcome-specific risk. State what remains open and which evidence named in the final column should be collected next.

#	Situation	Review question	Decision
1	Clarity: the evidence is second-hand.	Which evidence separates clarity from voice consistency in this case?	Starting view
2	Voice Consistency: two records disagree.	How does proofreading change the interpretation of draft purpose?	First priority
3	Proofreading: a value lacks units.	What boundary on section function must be checked before relying on continuity?	Boundary
4	Draft Purpose: the context has changed.	Which observation links voice consistency to section function, and what remains uncertain?	Readiness
5	Section Function: approval is missing.	What alternative explanation could account for both draft purpose and clarity?	First result
6	Continuity: the source has no date.	What next check on continuity would make the record about proofreading more useful?	Foundation check

Decision Record

Evidence Evidence Dashboard

Measure	Baseline	Current	Evidence location
Draft Purpose: Sources Identified / Starting Conditions Recorded	_____	_____	_____
Section Function: Dates Captured / First Priority Selected	_____	_____	_____
Continuity: Records Traced / Scope Boundaries Stated	_____	_____	_____
Clarity: Cross-Checks Completed / Readiness Items Confirmed	_____	_____	_____
Voice Consistency: Exceptions Resolved / First Actions Completed	_____	_____	_____
Proofreading: Conclusions Supported / Next Cycles Approved	_____	_____	_____

Interpret the Trend

- I recorded a real starting point rather than an idealised one.
- I chose a first step that can be checked before the work expands.
- Keep the method only when the evidence for start a consistent reading practice improves without hiding the scope has no boundary.
- How does proofreading change the interpretation of draft purpose?
- Use a reader, educator, librarian, editor or rights adviser when the evidence crosses a safety, rights, health or authority boundary.

Evidence x Foundation Next Step Plan

Finish by turning the paired format and outcome record into one owned action. For this close reading worksheet, the intended result was start a consistent reading practice; the outcome test is: Is the foundation small, clear and evidenced enough to continue? The close-out standard remains: complete the planned sessions and explain what made them workable.

Close-out field	Record
Most useful evidence	_____
Important limitation	_____
Decision	Keep / adapt / pause / seek review
Next action	_____
Owner and date	_____
Evidence location	_____

Completion Review

- Subject check: Which evidence separates clarity from voice consistency in this case?
- Subject check: How does proofreading change the interpretation of draft purpose?
- Format check: I left disputed or missing evidence visibly unresolved.
- Outcome check: I chose a first step that can be checked before the work expands.
- I used only brief necessary quotations and attributed them appropriately.
- I kept summary, interpretation and the source author's expression clearly separate.
