Drafting and Revision Writing and Revision Companion - Discuss with Evidence

Drafting and Revision | Discuss with Evidence | Asset ID BOOK-23-10-04

Purpose: This original printable writing and revision companion helps readers, book clubs, students, families and independent writers work with drafting and revision while pursuing one defined outcome: support conversation with precise observation and fair listening. Its method is to borrow no expression; extract a craft principle, draft independently and revise. Use the pages as a working record, not as a substitute for the source text, edition details and qualified educational or rights guidance where those are needed.

Resource Map

The subject focus is to separate invention, structural revision and sentence editing into clear passes. The six working areas below define the scope for this specific resource. Complete only the rows that matter to the present reading session, and date any observation that may change.

#	Working area	Current evidence	Next check
1	Draft Purpose	Known / estimated / not checked	_____
2	Section Function	Known / estimated / not checked	_____
3	Continuity	Known / estimated / not checked	_____
4	Clarity	Known / estimated / not checked	_____
5	Voice Consistency	Known / estimated / not checked	_____
6	Proofreading	Known / estimated / not checked	_____

Decision Quality Starting Brief

- Read: Which evidence separates continuity from clarity in this case? Read the context and identify the decision that is actually due.
- List: How does voice consistency change the interpretation of proofreading? List realistic options, including pause or escalation.
- Weigh: What boundary on draft purpose must be checked before relying on section function? Weigh evidence, consequence and uncertainty.
- Choose: Which observation links clarity to draft purpose, and what remains uncertain? Choose within the stated authority and boundary.
- Observe: What alternative explanation could account for both proofreading and continuity? Observe the immediate consequence without rewriting the rationale.
- Edition success means: make one claim, one evidence link and one respectful response

Writing and Revision Companion

This format is designed to transform learning from reading into original writing practice. For drafting and revision, apply the method in a deliberate sequence: borrow no expression; extract a craft principle, draft independently and revise. The edition target is discuss with evidence, so each entry should show what was noticed, what was tried and what changed.

Working step	What to record	Evidence or source	Status
Read Continuity	Which evidence separates continuity from clarity in this case?	Decision point / date	Open / checked
List Clarity	How does voice consistency change the interpretation of proofreading?	Options / date	Open / checked
Weigh Voice Consistency	What boundary on draft purpose must be checked before relying on section function?	Trade-off / date	Open / checked
Choose Proofreading	Which observation links clarity to draft purpose, and what remains uncertain?	Choice / date	Open / checked
Observe Draft Purpose	What alternative explanation could account for both proofreading and continuity?	Outcome / date	Open / checked
Explain Section Function	What next check on section function would make the record about voice consistency more useful?	Decision review / date	Open / checked

Completion Standard

- Keep the work tied to drafting and revision, not to a vague general intention.
- Apply this adjustment: ask where an interpretation comes from and invite another reading
- Was the choice reasonable from the information available at the decision point?
- Expose this outcome risk if it appears: the review excuses an avoidable error.
- Use original notes and explanations; quote only when necessary, lawful and properly attributed.
- Ask a reader, educator, librarian, editor or rights adviser to challenge one material assumption where appropriate.
- Close with one decision and one follow-up rather than an unranked list of ideas.

Working Note

Edition BOOK-23-10-04 pairs writing and revision companion with the outcome 'Discuss with Evidence'. That pairing is the boundary for this workbook: material that does not help that outcome belongs in a separate record.

Reflective Practice x Decision Quality Focused Practice Lab

This lab pairs a reflective practice method with a decision quality outcome lens. Work through the six actions to turn the subject focus - separate invention, structural revision and sentence editing into clear passes - into evidence for discuss with evidence. Preserve any gap that prevents a supported conclusion.

#	Action	Constraint	Record
1	Intend / Read voice consistency	Which evidence separates continuity from clarity in this case? Read the context and identify the decision that is actually due.	Intention / Decision point
2	Record / List proofreading	How does voice consistency change the interpretation of proofreading? List realistic options, including pause or escalation.	Record / Options
3	Notice / Weigh draft purpose	What boundary on draft purpose must be checked before relying on section function? Weigh evidence, consequence and uncertainty.	Observation / Trade-off
4	Interpret / Choose section function	Which observation links clarity to draft purpose, and what remains uncertain? Choose within the stated authority and boundary.	Meaning / Choice
5	Synthesize / Observe continuity	What alternative explanation could account for both proofreading and continuity? Observe the immediate consequence without rewriting the rationale.	Learning / Outcome
6	Commit / Explain clarity	What next check on section function would make the record about voice consistency more useful? Explain whether the choice should be repeated or revised.	Commitment / Decision review

Common Failure Modes

- For voice consistency, watch for the intention is too vague together with the wrong decision is framed.
- For proofreading, watch for the record omits an uncomfortable result together with a realistic option is omitted.
- For draft purpose, watch for a detail is overinterpreted together with confidence is mistaken for evidence.
- For section function, watch for context is ignored together with authority or safety limits are crossed.
- For continuity, watch for the lesson is too broad together with the outcome rewrites the original rationale.

Independent Review Question

Format question: Which lesson is supported by the record, and which part remains personal interpretation? Outcome question: Was the choice reasonable from the information available at the decision point? Ask a reader, educator, librarian, editor or rights adviser where appropriate, then answer before the next reading session: _____

Reading Session Plan for Discuss with Evidence

Use one defined reading session to test the outcome rather than attempting every possible task. This edition pairs reflective practice with decision quality to pursue this objective: support conversation with precise observation and fair listening. Preserve the starting condition and both evidence trails.

Experience and Learning Review - Decision Quality Lens

This comparison tests drafting and revision against discuss with evidence through two independent questions. Format: Which lesson is supported by the record, and which part remains personal interpretation? Outcome: Was the choice reasonable from the information available at the decision point? Record material setting differences instead of averaging them away.

Evidence area	Baseline	Alternative	Interpretation prompt
Voice Consistency	_____	_____	Which evidence separates continuity from clarity in this case?
Proofreading	_____	_____	How does voice consistency change the interpretation of proofreading?
Draft Purpose	_____	_____	What boundary on draft purpose must be checked before relying on section function?
Section Function	_____	_____	Which observation links clarity to draft purpose, and what remains uncertain?
Continuity	_____	_____	What alternative explanation could account for both proofreading and continuity?
Clarity	_____	_____	What next check on section function would make the record about voice consistency more useful?

Outcome question	Was the choice reasonable from the information available at the decision point?
Acceptance lens	make one claim, one evidence link and one respectful response
Conditions held steady	_____
Evidence supporting the choice	_____
Evidence against the choice	_____

Reflective Practice Confidence Check

- Decision point: what was actually seen, heard, measured or read?
- Format evidence: which record best demonstrates lessons bounded?
- Outcome evidence: which record best demonstrates decisions explained?
- Challenge: could the outcome rewrites the original rationale explain the result?
- Subject boundary: what does this comparison leave unresolved about continuity?

Reflective Practice x Decision Quality Scenario Cards

Use these paired scenarios to rehearse judgement for discuss with evidence. Each card joins a reflective practice failure mode to an outcome-specific risk. State what remains open and which evidence named in the final column should be collected next.

#	Situation	Review question	Decision
1	Continuity: the lesson is too broad.	Which evidence separates continuity from clarity in this case?	Decision point
2	Clarity: the next action is not owned.	How does voice consistency change the interpretation of proofreading?	Options
3	Voice Consistency: the intention is too vague.	What boundary on draft purpose must be checked before relying on section function?	Trade-off
4	Proofreading: the record omits an uncomfortable result.	Which observation links clarity to draft purpose, and what remains uncertain?	Choice
5	Draft Purpose: a detail is overinterpreted.	What alternative explanation could account for both proofreading and continuity?	Outcome
6	Section Function: context is ignored.	What next check on section function would make the record about voice consistency more useful?	Decision review

Interpret the Trend

- I preserved the information and reasoning available when the decision was made.
- I judged the process separately from whether the outcome happened to be favourable.
- Keep the method only when the evidence for discuss with evidence improves without hiding the outcome rewrites the original rationale.
- What alternative explanation could account for both proofreading and continuity?
- Use a reader, educator, librarian, editor or rights adviser when the evidence crosses a safety, rights, health or authority boundary.

Reflective Practice x Decision Quality Next Step Plan

Finish by turning the paired format and outcome record into one owned action. For this writing and revision companion, the intended result was discuss with evidence; the outcome test is: Was the choice reasonable from the information available at the decision point? The close-out standard remains: make one claim, one evidence link and one respectful response.

Close-out field	Record
Most useful evidence	_____
Important limitation	_____
Decision	Keep / adapt / pause / seek review
Next action	_____
Owner and date	_____
Evidence location	_____

Completion Review

- Subject check: Which evidence separates continuity from clarity in this case?
- Subject check: How does voice consistency change the interpretation of proofreading?
- Format check: I converted reflection into one small, owned next action.
- Outcome check: I judged the process separately from whether the outcome happened to be favourable.
- I used only brief necessary quotations and attributed them appropriately.
- I kept summary, interpretation and the source author's expression clearly separate.
