Responsible Original Delivery Starting Brief

- Specify: Which evidence separates audience knowledge from scene objective in this case? Specify the intended user, purpose and boundary.
- Clear: How does spoken language change the interpretation of stage direction? Clear material, rights, safety and authority concerns.
- Create: What boundary on entrance and exit must be checked before relying on conflict beat? Create the work independently from traceable evidence.
- Challenge: Which observation links scene objective to entrance and exit, and what remains uncertain? Challenge accuracy, accessibility and unintended risk.
- Correct: What alternative explanation could account for both stage direction and audience knowledge? Correct the evidenced gaps without copying a reference work.
- Edition success means: produce a response that does not imitate the source's wording or style

Book Club Session Planner

This format is designed to give a group a clear purpose, fair process and closing action. For drama and plays, apply the method in a deliberate sequence: prepare, facilitate, time-box and record agreed follow-up. The edition target is write an original response, so each entry should show what was noticed, what was tried and what changed.

Working step	What to record	Evidence or source	Status
Specify Audience Knowledge	Which evidence separates audience knowledge from scene objective in this case?	Use brief / date	Open / checked
Clear Scene Objective	How does spoken language change the interpretation of stage direction?	Clearance / date	Open / checked
Create Spoken Language	What boundary on entrance and exit must be checked before relying on conflict beat?	Original output / date	Open / checked
Challenge Stage Direction	Which observation links scene objective to entrance and exit, and what remains uncertain?	Independent review / date	Open / checked
Correct Entrance And Exit	What alternative explanation could account for both stage direction and audience knowledge?	Correction record / date	Open / checked
Release Conflict Beat	What next check on conflict beat would make the record about spoken language more useful?	Release record / date	Open / checked

Completion Standard

- Keep the work tied to drama and plays, not to a vague general intention.
- Apply this adjustment: paraphrase, cite minimal necessary evidence and develop a distinct idea
- Is the output original, traceable and suitable for its stated use?
- Expose this outcome risk if it appears: a correction creates new copying.
- Use original notes and explanations; quote only when necessary, lawful and properly attributed.
- Ask a reader, educator, librarian, editor or rights adviser to challenge one material assumption where appropriate.
- Close with one decision and one follow-up rather than an unranked list of ideas.

Edition BOOK-10-08-09 pairs book club session planner with the outcome 'Write an Original Response'. That pairing is the boundary for this workbook: material that does not help that outcome belongs in a separate record.

This lab pairs a comparison method with a responsible original delivery outcome lens. Work through the six actions to turn the subject focus - read a script as action, speech and staging rather than prose alone - into evidence for write an original response. Preserve any gap that prevents a supported conclusion.

#	Action	Constraint	Record
1	Align / Specify entrance and exit	Which evidence separates audience knowledge from scene objective in this case? Specify the intended user, purpose and boundary.	Cases / Use brief
2	Compare / Clear conflict beat	How does spoken language change the interpretation of stage direction? Clear material, rights, safety and authority concerns.	Alignment / Clearance
3	Detect / Create audience knowledge	What boundary on entrance and exit must be checked before relying on conflict beat? Create the work independently from traceable evidence.	Difference / Original output
4	Explain / Challenge scene objective	Which observation links scene objective to entrance and exit, and what remains uncertain? Challenge accuracy, accessibility and unintended risk.	Explanation / Independent review
5	Judge / Correct spoken language	What alternative explanation could account for both stage direction and audience knowledge? Correct the evidenced gaps without copying a reference work.	Judgement / Correction record
6	Document / Release stage direction	What next check on conflict beat would make the record about spoken language more useful? Release only with ownership, version and review details.	Decision / Release record

Common Failure Modes

- For entrance and exit, watch for the cases answer different questions together with the intended use is vague.
- For conflict beat, watch for units or dates do not align together with a right or safety concern is ignored.
- For audience knowledge, watch for a difference is hidden by an average together with the work imitates a source.
- For scene objective, watch for the explanation lacks evidence together with review is not independent.
- For spoken language, watch for fitness criteria change together with a correction creates new copying.

Independent Review Question

Format question: Are the two cases comparable enough to support the stated choice? Outcome question: Is the output original, traceable and suitable for its stated use? Ask a reader, educator, librarian, editor or rights adviser where appropriate, then answer before the next reading session: _____
