Responsible Original Delivery Starting Brief

- Specify: Which evidence separates spoken language from stage direction in this case? Specify the intended user, purpose and boundary.
- Clear: How does entrance and exit change the interpretation of conflict beat? Clear material, rights, safety and authority concerns.

Clear Stage Direction	How does entrance and exit change the interpretation of conflict beat?	Clearance / date	Open / checked
Create Entrance And Exit	What boundary on audience knowledge must be checked before relying on scene objective?	Original output / date	Open / checked
Challenge Conflict Beat	Which observation links stage direction to audience knowledge, and what remains uncertain?	Independent review / date	Open / checked
Correct Audience Knowledge	What alternative explanation could account for both conflict beat and spoken language?	Correction record / date	Open / checked
Release Scene Objective	What next check on scene objective would make the record about entrance and exit more useful?	Release record / date	Open / checked

Completion Standard

- Keep the work tied to drama and plays, not to a vague general intention.
- Apply this adjustment: paraphrase, cite minimal necessary evidence and develop a distinct idea
- Is the output original, traceable and suitable for its stated use?
- Expose this outcome risk if it appears: a correction creates new copying.
- Use original notes and explanations; quote only when necessary, lawful and properly attributed.
- Ask a reader, educator, librarian, editor or rights adviser to challenge one material assumption where appropriate.
- Close with one decision and one follow-up rather than an unranked list of ideas.

2	Record / Clear conflict beat	How does entrance and exit change the interpretation of conflict beat? Clear material, rights, safety and authority concerns.	Record / Clearance
3	Notice / Create audience knowledge	What boundary on audience knowledge must be checked before relying on scene objective? Create the work independently from traceable evidence.	Observation / Original output
4	Interpret / Challenge scene objective	Which observation links stage direction to audience knowledge, and what remains uncertain? Challenge accuracy, accessibility and unintended risk.	Meaning / Independent review
5	Synthesize / Correct spoken language	What alternative explanation could account for both conflict beat and spoken language? Correct the evidenced gaps without copying a reference work.	Learning / Correction record
6	Commit / Release stage direction	What next check on scene objective would make the record about entrance and exit more useful? Release only with ownership, version and review details.	Commitment / Release record
