Poetry Reading Close Reading Worksheet - Write an Original Response

Poetry Reading | Write an Original Response | Asset ID BOOK-09-02-09

Purpose: This original printable close reading worksheet helps readers, book clubs, students, families and independent writers work with poetry reading while pursuing one defined outcome: transform reading into independent analysis or creative work. Its method is to locate, quote minimally, paraphrase and explain the relevance in original words. Use the pages as a working record, not as a substitute for the source text, edition details and qualified educational or rights guidance where those are needed.

Resource Map

The subject focus is to notice form, sound and image while keeping interpretation tied to the poem. The six working areas below define the scope for this specific resource. Complete only the rows that matter to the present reading session, and date any observation that may change.

#	Working area	Current evidence	Next check
1	Speaker	Known / estimated / not checked	_____
2	Line And Stanza	Known / estimated / not checked	_____
3	Rhythm And Sound	Known / estimated / not checked	_____
4	Image	Known / estimated / not checked	_____
5	Figurative Language	Known / estimated / not checked	_____
6	Shift Or Turn	Known / estimated / not checked	_____

Responsible Original Delivery Starting Brief

- Specify: Which evidence separates shift or turn from speaker in this case? Specify the intended user, purpose and boundary.
- Clear: How does line and stanza change the interpretation of rhythm and sound? Clear material, rights, safety and authority concerns.
- Create: What boundary on image must be checked before relying on figurative language? Create the work independently from traceable evidence.
- Challenge: Which observation links speaker to image, and what remains uncertain? Challenge accuracy, accessibility and unintended risk.
- Correct: What alternative explanation could account for both rhythm and sound and shift or turn? Correct the evidenced gaps without copying a reference work.
- Edition success means: produce a response that does not imitate the source's wording or style

Close Reading Worksheet

This format is designed to capture selective observations before forming an interpretation. For poetry reading, apply the method in a deliberate sequence: locate, quote minimally, paraphrase and explain the relevance in original words. The edition target is write an original response, so each entry should show what was noticed, what was tried and what changed.

Working step	What to record	Evidence or source	Status
Specify Shift Or Turn	Which evidence separates shift or turn from speaker in this case?	Use brief / date	Open / checked
Clear Speaker	How does line and stanza change the interpretation of rhythm and sound?	Clearance / date	Open / checked
Create Line And Stanza	What boundary on image must be checked before relying on figurative language?	Original output / date	Open / checked
Challenge Rhythm And Sound	Which observation links speaker to image, and what remains uncertain?	Independent review / date	Open / checked
Correct Image	What alternative explanation could account for both rhythm and sound and shift or turn?	Correction record / date	Open / checked
Release Figurative Language	What next check on figurative language would make the record about line and stanza more useful?	Release record / date	Open / checked

Completion Standard

- Keep the work tied to poetry reading, not to a vague general intention.
- Apply this adjustment: paraphrase, cite minimal necessary evidence and develop a distinct idea
- Is the output original, traceable and suitable for its stated use?
- Expose this outcome risk if it appears: review is not independent.
- Use original notes and explanations; quote only when necessary, lawful and properly attributed.
- Ask a reader, educator, librarian, editor or rights adviser to challenge one material assumption where appropriate.
- Close with one decision and one follow-up rather than an unranked list of ideas.

Working Note

Edition BOOK-09-02-09 pairs close reading worksheet with the outcome 'Write an Original Response'. That pairing is the boundary for this workbook: material that does not help that outcome belongs in a separate record.

Evidence x Responsible Original Delivery Focused Practice Lab

This lab pairs a evidence method with a responsible original delivery outcome lens. Work through the six actions to turn the subject focus - notice form, sound and image while keeping interpretation tied to the poem - into evidence for write an original response. Preserve any gap that prevents a supported conclusion.

#	Action	Constraint	Record
1	Collect / Specify image	Which evidence separates shift or turn from speaker in this case? Specify the intended user, purpose and boundary.	Evidence list / Use brief
2	Classify / Clear figurative language	How does line and stanza change the interpretation of rhythm and sound? Clear material, rights, safety and authority concerns.	Source / Clearance
3	Trace / Create shift or turn	What boundary on image must be checked before relying on figurative language? Create the work independently from traceable evidence.	Trace / Original output
4	Verify / Challenge speaker	Which observation links speaker to image, and what remains uncertain? Challenge accuracy, accessibility and unintended risk.	Verification / Independent review
5	Reconcile / Correct line and stanza	What alternative explanation could account for both rhythm and sound and shift or turn? Correct the evidenced gaps without copying a reference work.	Exception / Correction record
6	Approve / Release rhythm and sound	What next check on figurative language would make the record about line and stanza more useful? Release only with ownership, version and review details.	Sign-off / Release record

Common Failure Modes

- For image, watch for the source has no date together with the intended use is vague.
- For figurative language, watch for the evidence is second-hand together with a right or safety concern is ignored.
- For shift or turn, watch for two records disagree together with the work imitates a source.
- For speaker, watch for a value lacks units together with review is not independent.
- For line and stanza, watch for the context has changed together with a correction creates new copying.

Independent Review Question

Format question: Which source is strongest for this decision, and what limitation remains? Outcome question: Is the output original, traceable and suitable for its stated use? Ask a reader, educator, librarian, editor or rights adviser where appropriate, then answer before the next reading session: _____

This comparison tests poetry reading against write an original response through two independent questions. Format: Which source is strongest for this decision, and what limitation remains? - Format evidence: which record best demonstrates cross-checks completed?
- Outcome evidence: which record best demonstrates independent reviews completed?
- Challenge: could the work imitates a source explain the result?
- Subject boundary: what does this comparison leave unresolved about shift or turn?

Evidence x Responsible Original Delivery Scenario Cards

Use these paired scenarios to rehearse judgement for write an original response. Each card joins a evidence failure mode to an outcome-specific risk. State what remains open and which evidence named in the final column should be collected next.

- Use a reader, educator, librarian, editor or rights adviser when the evidence crosses a safety, rights, health or authority boundary.

Evidence x Responsible Original Delivery Next Step Plan

Finish by turning the paired format and outcome record into one owned action.
